What began as a small mining camp during the Colorado Silver Boom of the late nineteenth century has since become the preferred getaway of the world's elite. Treasured for what's above ground rather than below, Aspen, Colorado has a storied history almost as dense as the directory of A-listers who have adopted the jewel of Pitkin County as their second home, or who have settled in its slopes indefinitely. With an introduction from longtime resident Aerin Lauder, Aspen celebrates and pays homage to the stark glamour, the working-class history, and the romance of the virtually untouched landscape that gives the town the unique charisma that continues to draw new devotees with each season. Exploring the rustic-chic atmosphere of the Hotel Jerome, the architectural excellence of Herbert Bayer's restored Wheeler Opera House, and local culture found at Schlomo's Deli & Grill, to name a few, this deluxe volume is brought to life with stunning current and historical imagery capturing the prodigious evolution of this mountain town over the last century.

To protect those most vulnerable, Haven Haviland must trust her heart--and her regrets--to a mysterious newcomer in this moving contemporary romance. Few in the community of Whisper Canyon have actually met Jace Daring, a handsome recluse who lives at Aspen Crossroads, the farm at the edge of town. But that doesn't stop the rumors about the multiple women who live with him. He must protect the truth--that his farm-to-table restaurant will provide new livelihoods for women rescued from human trafficking--or he risks the safety and futures of those relying on him. But he can't do it alone. Haven Haviland has always been everyone's safe place to fall until one mistake closes her counseling practice and leaves her open to the town's gossip. Trusting men has gotten her in trouble before. However, accepting Jace's job offer to mentor the rescued women seems like the perfect way to right her wrongs. When the mayor's campaign to clean up Whisper Canyon targets Aspen Crossroads, the restaurant comes under fire, dangers from the women's pasts are awakened, and Haven's sins are exposed for all to see. Jace would sacrifice himself to save Haven and the women under his care, but his efforts might not be enough. And in the end, it might not be the women most in need of saving after all.

Choosing a place for a holiday has never been easy for avid travelers and vacationers. This is as true for a family vacation as is for a group vacation. Most of us want to make the most of our vacations. Some of us look for adventure whereas others prefer a place which has lot of scenic beauty. Some like to holiday at a place which has some history behind it coupled with some fun and frolic. But if you want all these from one location, then Aspen Colorado is the place that you are looking for. Discover everything you need to know by grabbing a copy of this ebook today.

Winner, Allan Schnaiberg Outstanding Publication Award, presented by the Environment & Technology section of the American Sociological Association Environmentalism usually calls to mind images of peace and serenity, a oneness with nature, and a shared sense of responsibility. But one town in Colorado, under the guise of environmental protection, passed a resolution limiting immigration, bolstering the privilege of the wealthy and scapegoating Latin American newcomers for the area's current and future ecological problems. This might have escaped attention save for the fact that this wasn't some rinky-dink backwater. It was Aspen, Colorado, playground of the rich and famous and the West's most elite ski town. Tracking the lives of immigrant laborers through several years of exhaustive fieldwork and archival digging, The Slums of Aspen tells a story that brings together some of the most pressing social problems of the day: environmental crises, immigration, and social inequality. Park and Pellow demonstrate how these issues are intertwined in the everyday experiences of people who work and live in this wealthy tourist community. Offering a new understanding of a little known class of the super-elite, of low-wage immigrants (mostly from Latin America) who have become the foundation for service and leisure in this famous resort, and of the recent history of the ski industry, Park and Pellow expose the ways in which Colorado boosters have reshaped the landscape and altered ecosystems in pursuit of profit and pleasure. Of even greater urgency, they frame how environmental degradation and immigration reform have become inextricably linked in many regions of the American West, a dynamic that interferes with the efforts of valorous environmental causes, often turning away from conservation and toward insidious racial privilege.

Private investigator Jake Wheeler searches for runaway cheerleader Tinker Mellon and uncovers a complex crime ring hidden in the Aspen mine shafts.

Evidence is the most complete reference on evidence law available, written at a level that makes it an accessible, indispensible resource for students. The text emphasizes contemporary judicial interpretations of the Federal Rules of Evidence, making the law relevant to students. Organization around the Federal Rules of Evidence makes the text particularly understandable, with common-law coverage given where an issue is not codified. Throughout the text, Evidence features straightforward explication of the rules, analysis of leading case law, and thorough coverage of both the Federal Rules and state evidence codes. Pedagogical features include helpful marginal headings, mini-summaries of contents at the beginning of each chapter, generous footnotes, and useful case citations. The authors strong reputations as casebook authors and authors of Aspen's practitioner Evidence treatise continue to attract users to this book.

 Hikes chosen, described, and photographed by experienced members of the Colorado Mountain Club (CMC) A wide variety of hikes, from family- and wheelchair-friendly to difficult treks Includes detailed comments, route descriptions, driving directions, maps, elevation gain, difficulty rating, estimated time of the hike, round-trip distance, and nearest landmark Fits in your pocket or daypack and features color photos and maps throughout the book The twelfth CMC Press regional pack guide for the State of Colorado, The Best Aspen Hikes not only includes hikes within a short drive of town but also trails near Glenwood Springs, Carbondale, and Leadville. Casual hikers will be awed by the reflection of the iconic Maroon Bells in Maroon Lake, one of the prettiest and most photographed spots in Colorado, while they stroll along the Maroon Lake Scenic Trail. Conversely, experienced hikers will revel in the challenge presented by the twin-summited Mount Sopris, which rises more than 6,000 feet above the Roaring Fork Valley to serve as a stunning backdrop to the town of Carbondale. For outdoor enthusiasts who would rather stay in close proximity to Aspen, the Rio Grande Trail, a paved wheelchair-accessible path, allows for easy access to many of Aspen's parks and provides a beautiful panorama of the surrounding mountains and Roaring Fork River. Another option, though much more strenuous, is Ute Trail, which climbs high above town and offers spectacular views of the town below.

In Federal Jurisdiction, Seventh Edition, luminary author Erwin Chemerinsky unpacks the black letter law and underlying policy issues of his subject with the clarity and penetrating insight for which he is renowned. An accessible and thorough exposition of the laws, issues, and policies that determine the jurisdiction of federal courts students know they can rely on Federal Jurisdiction to inform and enrich their understanding of the cases and materials covered in this course. FEDERAL JURISDICTION, SEVENTH EDITION features: Comprehensive coverage that includes historical background, contemporary themes, and a lucid three-part organization of topics Illuminating descriptions and analyses of doctrine and policy Readable prose that explains current law, identifies unresolved issues, and examines competing policy considerations An even-handed treatment that considers multiple perspectives Updated throughout, the SEVENTH EDITION includes: Recent developments in standing, nonArticle III courts, sovereign immunity, Section 1983, Bevins liability, and habeas corpus New cases Clapper v. Amnesty International Susan B. Anthony List v. Driehaus Zivotofsky v. Clinton Wellness International Network Ltd. v. Sharif Lane v. Franks Minneci v. Pollard Sprint Communications, Inc. v. Jacobs

After sacred artifacts are stolen from the Grand Canyon, Travis Call and his friend, Ross Keller, are in danger. At home, Travis Call's wife reveals her faith is wavering. His son is exhibiting disturbing behavior. Travis realizes the conflict he faces is bigger than theft; its outcome may determine the truth of his religion.
