One of the most valuable aspects of interior design sketching especially for beginners is that it makes teamwork so easy. Good communication in an interior design office, is crucial. Sketching the designs makes it super easy to explain your thoughts to others. Doesn’t matter if you are interior designing an office or a private home. And contrary to describing something with words, sketching doesn’t miscommunicate.

Architects when sketching take time to pause, to look, to sketch, to look and sketch again. Described by some as the passing of an idea, a place or an experience from eye to mind to hand, the act of sketching is a means by which architects come to see and to understand the unfolding outcomes of their designing and make sense of aspects of the world.
