Click on the "past paper questions & answers" links for each topic. I believe the questions are from somewhere around 2008-2012. So, not that many new ones or old ones, but there are plenty for each topic, especially if you do all the SL and HL questions. It just goes through the core though :/ I also recommend trying to find IB questionbanks.

The IB Chemistry course contains a lot of content that cannot be easily revised a few nights before the exam. One method that I found very useful is that of spaced revision coupled with active recall. Spaced repetition is a learning technique that involves reviewing the material in certain intervals from the point at which it was first learnt ...
