Faulkner described the title "A Rose For Emily" as an allegorical title: this woman had undergone a great tragedy, and for this Faulkner pitied her. As a salute, he handed her a rose. The word "rose" in the title has multiple meanings to it. The rose may be seen as Homer, when interpreting the rose as a dried rose.

In "A Rose For Emily," William Faulkner imitates associative Southern storytelling style as an unnamed first-person narrator speaks for the entire town of Jefferson, relating what all the townspeople know or believe. Unlike typical Faulkner stories that employ multiple individual narrators, "A Rose for Emily" achieves the effect of multiple narrators by combining them into a single narrative voice, an unnamed (and not always consistent) narrator.

Here is a classic collection from one of America's greatest authors. Though these short stories have universal appeal, they are intensely local in setting. With the exception of "Turn About," which derives from the time of the First World War, all these tales unfold in a small town in Mississippi, William Faulkner's birthplace and lifelong home. Some stories—such as "A Rose for Emily," "The Hound," and "That Evening Sun"—are famous, displaying an uncanny blend of the homely and the horrifying. But others, though less well known, are equally colorful and characteristic. The gently nostalgic "Delta Autumn" provides a striking contrast to "Dry September" and "Barn Burning," which are intensely dramatic. As the editor, Saxe Commins, states in his illuminating Foreword: "These eight stories reflect the deep love and loathing, the tenderness and contempt, the identification and repudiation William Faulkner has felt for the traditions and the way of life of his own portion of the world."

"Read, read, read. Read everything—trash, classics, good and bad, and see how they do it. Just like a carpenter who works as an apprentice and studies the master. Read! You'll absorb it. Then write. If it is good, you'll find out. If it's not, throw it out the window." —William Faulkner Light in August, a novel about hopeful perseverance in the face of mortality, features some of Faulkner's most memorable characters: guileless, dauntless Lena Grove, in search of the father of her unborn child; Reverend Gail Hightower, who is plagued by visions of Confederate horsemen; and Joe Christmas, a desperate, enigmatic drifter consumed by his mixed ancestry.

Forty-two stories make up this magisterial collection by the writer who stands at the pinnacle of modern American fiction. Compressing an epic expanse of vision into hard and wounding narratives, Faulkner's stories evoke the intimate textures of place, the deep strata of history and legend, and all the fear, brutality, and tenderness of the human condition. These tales are set not only in Yoknapatawpha County, but in Beverly Hills and in France during World War I. They are populated by such characters as the Faulknerian archetypes Flem Snopes and Quentin Compson, as well as by ordinary men and women who emerge so sharply and indelibly in these pages that they dwarf the protagonists of most novels.
