In this 4th and final volume of a series that includes more than 800 composers and over 30,000 compositions Stephen traces the history and development of Classical music in Australia. From obscure and forgotten composers to those who attained an international reputation this volume reveals their output, unique experiences and travails. The foundation and demise of music ensembles, institutions, venues and festivals is part of the story and included in the narrative are performers, conductors, entrepreneurs, educators, administrators, instrument makers, musicologists, music critics and philanthropists. A concise yet comprehensive picture of Australian music making can be found in any given year.

The world has fallen in love with Nick Gautier and the Dark-Hunters. Now Nick's saga continues in the next eagerly anticipated volume... Go to school. Get good grades. Stay out of trouble. That's the mandate for most kids. But Nick Gautier isn't the average teenager. He's a boy with a destiny not even he fully understands. And his first mandate is to stay alive while everyone, even his own father, tries to kill him. He's learned to annihilate zombies and raise the dead, divination and clairvoyance, so why is learning to drive and keep a girlfriend so dang hard? But that isn't the primary skill he has to master. Survival is. And in order to survive, his next lesson makes all the others pale in comparison. He is on the brink of becoming either the greatest hero mankind has ever known. Or he'll be the one who ends the world. With enemies new and old gathering forces, he will have to call on every part of himself to fight or he'll lose everyone he cares about. Even himself.

Were-Hunter Fang Kattalakis is forced to choose sides when war erupts among his lycanthrope brethren, a situation that is further complicated by accusations targeting a woman he loves and threats on two races.

Wulf Tryggvasen è un antico guerriero vichingo che possiede un vantaggioso, ma estremamente irritante, potere amnesico. A causa di questa sua singolarità, nessuno tra quelli che lo incontrano può ricordarsi di lui dopo soli cinque minuti. E questo, se da un lato gli facilita i piacevoli incontri notturni, dall'altro gli rende quasi impossibile costruire una relazione duratura; e senza un vero amore, come ogni Cacciatore oscuro sa bene, non potrà mai rientrare in possesso della sua anima. Una sera, mentre si trova per caso in un club, Wulf si vede costretto a intervenire per salvare dai demoni un'affascinante sconosciuta. Ma il fato non promette nulla di buono. Quando finalmente riesce a conoscere meglio Cassandra Peters, l'unica donna che può ricordarsi di lui, scopre che lei è una principessa Apollite, la razza maledetta a cui Wulf ha giurato di dare la caccia. A ritmo accelerato, i due dovranno affrontare antiche maledizioni, profezie, e l'ingerenza diretta degli dèi greci per trovare, se tutto andrà per il meglio, la vera felicità tanto sognata. Il quinto volume del ciclo dei Dark Hunters, la serie che ha consacrato Sherrilyn Kenyon come un fenomeno internazionale da 10 milioni di copie vendute.

We don't belong together. I should have never seen him again after our first night together. But I crave him. I'm addicted to him. He is my dark pleasure. Mr. Black is Aiden. Aiden is Mr. Black. Two sides of the same person. Aiden is kind and sweet. Mr. Black is demanding and rule-oriented. When he invites me back to his yacht, I can't say no. Another auction. Another bid. I'm supposed to be his. But then everything goes wrong.... Praise for Charlotte Byrd "This series thrilled me from the first page and had me completely engrossed. The pacing and plot was excellent. It had the perfect amount of twists and turns, luring me into the fantasy of this amazing book. The story was well-crafted, starting off with characters I fell in love with. I instantaneously bonded with the heroine and of course Mr. Black. YUM. It's sexy, it's sassy, it's steamy. It's everything. I loved every second of it and was so thrilled to have had such a treat." - Khardine Gray, bestselling romance author "Her words make me ache and yearn for more." - Dancer in the Dark "The story is dark and enticing, taking me deeper into a world from which I never want to emerge." - Lover of Alpha "Addictive and damaged, their love burns slowly but deeply." - Heroes and Alphas "Their chemistry sizzles right from the beginning. He's the gorgeous and dangerous stranger we all need in our life." - Making Words Up "Her words made me fall in love. It slayed me!" - Sizzling Books "Left my head spinning! I never wanted it to end!" - Heartbreakers and Heroes

As he learns new powers, sixteen-year-old Nick leans towards the dark side and glimpses his future.

A latest entry in the best-selling series finds a battle-weary Nick pulled into an alternate reality where his mother has married his mentor and his Atlantean god best friend is a human geek who helps Nick realize the relative nature of pain and the benefits of his powers.
