There is usually 50 multiple choice questions in your Level 2 Anatomy and Physiology exam [this varies per training provider] and a 115-minute time limit. In order to pass, you must score a minimum of 35 out of 50 correct answers (or 70%).

This third edition provides 2900 multiple choice questions on human anatomy and physiology, and some biophysical science, separated into 20 chapters and 68 categories. In addition, there are 64 essay topics. The answer to each question is accompanied by an explanation. Each chapter has an introduction to set the scene for the questions to come. However, not all possible information is provided within these Introductions, so an Anatomy and Physiology textbook is an indispensable aid to understanding the answers. The textbook offers a more holistic approach to the subjects of anatomy and physiology by also including biomechanics, biophysics and biochemistry. The questions have been used in end-of-semester examinations for undergraduate anatomy and physiology courses, and as such, reflect the focus of these particular courses and are pitched at this level to challenge students that are beginning their training in anatomy and physiology. The question and answer combinations are intended for use by teachers, to select questions for their next examinations, and by students, when studying for an upcoming test. Students enrolled in the courses for which these questions were written include nursing, midwifery, paramedic, physiotherapy, occupational therapy, nutrition and dietetics, health sciences, exercise science, and students taking an anatomy and physiology course as an elective.

The CPC Exam Study Guide has been updated for 2018! It includes a 150 question practice exam, answers with full rationale, Medical Terminology, Common Anatomy, The Exam Study Guide, Secrets to Reducing Exam Stress, and Scoring Sheets. It is designed for students preparing for the medical coding certification exam after January 1, 2018. ***** Look at what some students had to say after using our practice exams ***** "I just wanted to let you know that I was preparing for the CPC exam and took a practice exam and only made a 70%. I was somewhat skeptical of purchasing your strategies and practice in fear it would not help. Reluctantly, I purchased your product (a practice exam and the strategies to pass) before sitting for the CPC exam. I received my results yesterday. I MADE A 92! I used all of the strategies you recommended (time management, highlighting, etc), which made all the difference in the world. Thank you so much!!!" - Heather T. "This is very good... I used your practice exam bundle and passed the first time. I also recommended this to others preparing for the test in our organization. They ordered and felt it was of great value. I especially appreciated the explanation for the answers which helped me learn while I corrected the test. When I took the practice test, I set a timer for 5 hr 40 min. and was able to complete in 3 hours with a score of 89%." - Linda B, CPC. "I purchased your practice exam package and think it's great. Using your tips, I completed all 150 questions in
