This well-established and highly successful book, now in its Second Edition, builds on the strength of the previous edition, retaining many of the topics and incorporating some new topics in consonance with the present-day needs. The accompanying CD contains all the attributes of a good speech—proper stress, intonation and correct pronunciation—to enable better comprehension of the topics. Some of the conversations and Words Often Mispronounced are also included in the CD to emphasize on the correctness of learning and enrich the learners in language skills. Primarily intended for students and learners who wish to enhance their spoken English skills, this book will be useful also for those who have

meanings to clarify doubts □ Grammar and usage in almost all the chapters to grasp the correct syntax □ Activity to instill confidence in public speaking

This is a book with successful track record of teaching to speak English with great confidence and style. It provides all the necessary material for conversation practice. Lessons have been prepared by picking up familiar topics and creating extended dialogues based on everyday situations. The exercise after each lesson provides a variety of sentence patterns, word lists, grammatical intricacies, subtle variations in word/phrase meanings, with their usage in different situations, and showcases the multiple ways of saying
