Imaginez les plus belles photos publiées dans "Le grand livre des seins" (le premier volume, déjà devenu un classique, de la série consacrée aux parties du corps), dans leur format d'origine de 30 cm sur 30, mais sortant de la page en trois dimensions. Un rêve impossible ? Et bien non, gens de peu de foi ! Grâce à la magie digitale d'aujourd'hui, 90 photos tirées du livre original, ainsi que 18 splendides inédits, ont été convertis en images dernier cri en trois dimensions par Jon Schnitzer et The Brain Factory, les véritables génies responsables notamment des effets spéciaux des films de Tim Burton. Cette édition spéciale de 220 pages comprend une révision de l'introduction et de la mise en page, et est proposée avec deux paires de lunettes de vision en 3-D, aux verres bleus et rouges, pour vous permettre d'admirer à deux les rondeurs magnifiées de nos mannequines à la poitrine opulente. Contrairement aux images figurant dans d'autres ouvrages en 3-D publiés jusqu'ici, celles du Grand livre des seins en 3-D ne sont pas déformées lorsqu'on les observe sans les lunettes. La technique utilisée par The Brain Factory est si perfectionnée qu'il est difficile ne serait-ce que de distinguer les teintes bleue et rouge sur les clichés en noir et blanc. Pourtant une fois les lunettes chaussées, les courbes surgissent de la page non pas en une succession de couches plates,

## Online Library Big Book 3d Taschen

comme dans les photos en 3 dimensions classiques, mais pour dessiner des contours pleins et ronds. Nul besoin d'être un scientifique pour deviner que ce volume sera le cadeau de l'année en matière de livres. Comme l'a récemment remarqué Hugh Hefner, le créateur de Playboy, "Qu'aimeraient voir les gens en 3-D plus que tout ? Probablement des femmes nues." Nous vous avons entendu, Hugh, et voici le résultat.

Welcome to The Little Book of Pussy, a petite little kitten that puts those up-close-and-personal pictures in proper perspective. Through 100 years of photos, we trace the exhibitionistic pleasure with which models present their feminine pulchritude.

D'abord le Big Book of Breasts, puis le Big Penis Book, le Big Book of Legs et l'imposant Big Butt Book. Il ne manquait plus qu'une exploration approfondie des parties intimes féminines, ce précieux orifice que l'homme cherche à fuir pendant neuf mois et passe le reste de sa vie à essayer de réinvestir. Que rêver de mieux, ensuite, que The Big Book of Pussy 3-D ? À travers 220 pages et 110 photos noir et blanc converties en 3-D de luxe par le petit génie Jon Schnitzer et son équipe de la Brain Factory, le Big Book of Pussy 3-D contient les photos du volume original, mais aussi beaucoup de photos inédites, en exclusivité pour cette édition. Comme pour les autres livres consacrés aux parties du corps en 3-D, le rendu spécial, à peine sensible sur la page, révèle toute son ampleur dès qu'on chausse les lunettes anaglyphes bleu et rouge insérées dans chaque livre. Que les fans de la chatte

## Online Library Big Book 3d Taschen

version jungle luxuriante notent que les poils constituent un des meilleurs sujets pour la vision 3-D et ont nécessité une conversion manuelle méticuleuse pour un résultat touffu à souhait.

Sweet cheeks in 3-D: A cornucopia of delectably rounded, fully dimensional derrières The Kama Sutra gives detailed instructions on how to spank it. Contemporary Italians touch it for luck before placing a bet. Americans are having it cosmetically enhanced at rates approaching those for breast enlargement surgery. The female butt, tush, culo, or derrière has always inspired awe, fantasy, and slavish devotion, and now it's yours - in state-of-the-art 3-D! Sound like a crazy dream? Well, TASCHEN is where dreams come true, so get ready for The Big Butt Book 3-D with a stunning full lenticular cover. As with The Big Book of Breasts 3-D and The Big Penis Book 3-D, original black and white photos have been converted to anaglyph 3-D by Jon Schnitzer and The Brain Factory. Jon and his team apply their technique so subtly that images are minimally affected on the page, but really pop when you put on the red and blue anaglyph glasses included with this volume. Formerly 2-D butts now leap into three dimensional fullness, bulging off the page and wagging seductively as you move from left to right. The book contains 110 of these masterpieces, many not seen in the original Big Butt Book. See cover model Alexis Texas as nature intended! Thrill to Coco in the round! When they see The Big Butt Book 3-D even breast men will agree with Sir Mix-a-Lot, "My anaconda don't want none, unless you've got buns, hun." Text in English, French, and German

## Online Library Big Book 3d Taschen

C'est en 1998, avec *The Art of Pleasure*, que TASCHEN a fait découvrir au monde l'art remarquable de Touko Laaksonen. Avant cela, Laaksonen, alias Tom of Finland, artiste culte de la communauté gay internationale, était pratiquement inconnu du grand public. En 2009, TASCHEN poursuit l'entreprise avec l'ouvrage ultime retraçant l'œuvre de Tom, *Tom of Finland XXL*, une magnifique édition collector grand format réunissant plus de 1000 illustrations et couvrant soixante ans de carrière de l'artiste. Son œuvre a été réunie avec l'aide de la Tom of Finland Foundation, à partir de collections conservées aux États-Unis et en Europe, et comporte de nombreux dessins, peintures et études préparatoires qui n'avaient encore jamais été publiés. D'autres n'avaient jusqu'alors été vus qu'isolément et sont montrés ici dans l'ordre séquentiel prévu par Tom, gagnant ainsi toute leur valeur artistique et leur charge érotique. Cet élégant volume grand format présente toute l'étendue du talent de Tom, de ses portraits sensibles à ses descriptions explicites du plaisir sexuel et à ses hommages pleins de tendresse rendus aux jeunes hommes emportés par le sida, et il inclut, en complément, huit essais écrits pour l'occasion par Camille Paglia, John Waters, Armistead Maupin, Todd Oldham, entre autres, qui reviennent sur l'influence sociale et personnelle de Tom, ainsi qu'une étude approfondie de ses dessins par l'historien d'art Edward Lucie-Smith. Jusqu'à maintenant, la seule chose qui manquait à *Tom of Finland XXL* était un prix accessible au plus grand nombre. Le nouveau *Tom of Finland XXL* est toujours aussi gros, fera autant travailler vos biceps et reprend tout du contenu

original, mais ne coûte qu'une fraction du prix d'origine. Il vous souhaite la bienvenue.

This devoted compendium to the female derriere packs a whole lot of big booty into one petite treat of a book. Featuring more than 150 images of the biggest and best rears from The Big Book of Butt, including 30 new mouth-watering images, it's one irresistible ode to voluptuous curves from the 1950s to today.

Il est difficile d'imaginer plus efficace que Le grand livre des pénis pour attirer l'attention et stimuler les ventes - à part les mêmes images d'appareils génitaux impressionnants en trois dimensions. En trois dimensions, chaque double page est comme un dépliant en relief ! Cette édition spéciale de 220 pages et de 30 cm sur 30 comprend 96 images tirées du livre original, ainsi que 8 inédites, converties en 3-D par John Schnitzer et The Brain Factory, les véritables génies responsables notamment des effets spéciaux des films de Tim Burton. Le coffret comprend une réédition de l'introduction et de la mise en page, et est proposé avec deux paires de lunettes de vision en 3-D, aux verres bleus et rouges, pour vous permettre d'admirer le livre à deux, ou seul une fois utilisée la première paire. Contrairement aux images figurant dans d'autres ouvrages en 3-D publiés jusqu'ici, celles du Grand livre des pénis en 3-D ne sont pas déformées lorsqu'on les observe sans les lunettes. La technique utilisée par The Brain Factory est si perfectionnée qu'il est difficile ne serait-ce que de distinguer les teintes bleue et rouge sur les clichés en noir et blanc.

## Online Library Big Book 3d Taschen

Pourtant une fois les lunettes chaussées, les parties intéressantes surgissent de la page non pas en une succession de couches plates, comme dans les photos en 3 dimensions classiques, mais pour dessiner des contours pleins et ronds. Il ne fait aucun doute que ce livre est une parfaite idée de cadeau. Depuis l'apparition de la 3-D, lances, manches, fusils, fusées ont tous été pointés sur le public pour montrer le réalisme de l'effet obtenu. Les effets spéciaux du Grand livre des pénis en 3-D sont tout aussi convaincants.

Featuring 30 types of breasts, The Boob Book is an illustrated celebration of womanhood and the boobs that come with it. Scattered throughout are boob miscellany: a boob personality flow chart, boob facts, boob self-care tips, a roundup of bras, types of nipples, a boob doodle, and illustrated ways we show off the goods. This joyful book features breasts of all colors and sizes—from "The Handful" to "The Mom-To-Be" to "The Small but Mighty"—showing women that every boob type is weird, beautiful, and natural. • An illustrated love letter to a girl's breast friend • Filled with fun and interactive boob-related miscellany, like a boob personality test (are you a "Chillaxer" or a "Handful?"), boob facts, and breast self-care tips • Light, celebratory, and a little cheeky—but ultimately sincere Let's hear it for our bosom buddies. Our mammary mamas. Our breasts-in-arms. From small and mighty to large and in charge to long, short, hairy, bumpy, or any boobs in between, this book uplifts

## Online Library Big Book 3d Taschen

them all. • A perfect book for women of all generations—from friends to mothers and daughters—or anyone who wants to send some extra support and love to their ladies

- Ideal for anyone who needs a boob-size boost
- Great for those who enjoyed Feminist Activity Book by Gemma Correll, Celebrating You: (And the Beautiful Person You Are) by M. H. Clark, and Gross Anatomy: Dispatches from the Front (and Back) by Mara Altman

Back in 1974, the sexual revolution was in full swing and the adult entertainment business was on the verge of becoming Big Business. Deep Throat had created America's first porn star in 1972, but by 1974 Linda Lovelace was already retired and the industry was seeking the next big thing. Vanessa del Rio should have been that thing, except in 1974 there were no ethnic sex stars. Undeterred, Vanessa took any role they'd give her, because, amazingly, she was there for the sex more than the money. Fans, awed by her ferocious onscreen sexuality, made her a top box office draw and America's first Latina star. Retired since 1986, Vanessa del Rio remains a sexual icon who cuts across all ethnic boundaries. What her fans don't know is that her real life was, and is, as wild as anything she did on film. In this sumptuous over-sized volume, TASCHEN celebrates a remarkably candid, confident and exuberantly sexual woman. Presented through Vanessa's own archive, in her own words, is a life at once shocking, titillating, amusing, and inspiring. And because paper and ink can't do justice to a personality this big, an original 140 minute DVD documentary is included. If you aren't already convinced, this book will end all doubt

## Online Library Big Book 3d Taschen

that there could ever be another woman like Vanessa del Rio. Vanessa del Rio is limited to a total of 1,500 numbered copies, each signed by Vanessa ? 1,300 copies in the Collector's Edition ? 200 copies in the Art Edition, with a signed watercolor lithograph of Vanessa by acclaimed artist Robert Crumb \* Bonus for one lucky reader: one of the 1,500 copies contains a Golden Ticket good for an all-expenses paid evening with Vanessa, to be documented by a world famous photographer!! \*?She is a person I dreamed about having sex with. She should go in the hall of fame for best sex scenes in the '80s.?-Snoop Dogg
