Brief Counseling That Works is easy to pick up as a practitioner, understand, and implement. It is written in layman's terms and with lots of examples that clarify any questions the reader might have.

Brief Counseling That Works: A Solution-Focused Approach ...  
"Every once in a while I come upon a text that is so clear, so explicit, and so practical that I hear students recommending it to other counseling students who are not in the class. Gerald Sklare's Brief Counseling That Works: A Solution-Focused Approach for School Counselors and Administrators is one such book. I have used the first two editions in my secondary school internship course for several years, and have had universally positive feedback from the interns.

Talking therapies are psychological treatments for mental and emotional problems like stress, anxiety and depression. There are lots of different types of talking therapy, but they all involve working with a trained therapist. This may be one-to-one, in a group, online, over the phone, with your family, or with your partner.
