managers need support on how best to build their human resource management capacity. They need to know what systems to examine, what questions to ask, and how to ensure they are managing people in a legal manner and as effectively as possible given their particular resource constraints. Important questions include:

Access Free By Joan E Pynes Human Resources

Do we have a clear philosophy, one that aligns with our nonprofit mission and values and allows us to treat our employees as the professionals they are?

How do we select, develop, and retain the best people who will produce high value, high performance work, and how do we do so with limited resources? How do we

effectively manage our mix of volunteers and paid staff? What do we need to consider to ensure diverse people work together in a harmonious fashion? With all-new chapters written by the top scholars in the field of nonprofit HRM, these are but a few of the many questions that are addressed in this timely volume.? These

context in which innovative practices have been implemented. She details how agencies are creating performance-aligned workforces by adopting systems and policies that are driven by their strategic missions. This book covers core topics of personnel courses—including hiring, training, retention, performance, and
