Cambridge International AS and A Level Accounting (9706) The syllabus engages students with the relevance and applicability of accounting in real-world contexts. Students will explore the role and responsibilities of the accountant, and study areas such as financial accounting and cost and management accounting.

Cambridge International AS & A Level Accounting (9706)

I find home-based learning so disruptive. As soon as I get into my study it's already onto the next class (doesn't help that half of my teachers waste time talking about unnecessary stuff leaving us like 20 minutes of private study) sometimes my teachers just talk for the whole lesson, and sometimes they don't even show up and send us an email 15 minutes later telling us to study.

Accounting syllabus (7110), first examination 2020. This workbook contains 50% more exam-style questions than the previous edition, giving students even more opportunities to practise and build their confidence. Direct links to the coursebook make it easy to use the two in combination to help build skills in the classroom or at home. As requested by teacher, the first section of the book focuses on developing the skills you need as an accountant, particularly analysis. Answers to the workbook questions are in the teacher's resource.

Study & Master Accounting Grade 10 has been especially developed by an experienced author team according to the Curriculum and Assessment Policy Statement (CAPS). The comprehensive Learner's Book includes: * case studies which deal with issues related to the real world, and move learners beyond the confines of the classroom * margin notes to assist learners with new concepts - especially GAAP flashes, that give learners guidance on General Accepted Accounting Practice * examples with solutions after the introduction of each new concept. The Teacher's File includes: * a daily teaching plan, divided into the four terms, that guides the teacher on what to teach per day and per week * moderation templates to assist teachers with assessment * solutions to all the activities in the Learner's Book. The CD-Rom with a PowerPoint presentation includes: * interactive examples to explain new concepts * links to all solutions to activities and assessments in the Learner's Book
