social studies, history, government, fine arts, and character.

From its first issue in April, 1970, the National Lampoon blazed like a comet, defining comedy as we know it today. To create *Drunk Stoned Brilliant Dead*, former Lampoon illustrator Rick Meyerowitz selected the funniest material from the magazine and sought out the survivors of its first electrifying decade to gather their most revealing and outrageous stories. The result is a mind-boggling tour through the early days of an institution whose alumni left their fingerprints all over popular culture: Animal House, Caddyshack, Saturday Night Live, Ghostbusters, SCTV, Spinal Tap, In Living Color, Ren & Stimpy, The Simpsons—even Sesame Street counts a few Lamponers among its ranks. Long before there was The Onion and Comedy Central news shows, there was the National Lampoon, setting the bar in comedy impossibly high! A very similar title, differing only in the subtitle, was used for the 2015 documentary film, *Drunk Stoned Brilliant Dead: The Story of the National Lampoon*, for which Rick Meyerowitz designed the poster, as he also did for the 1978 film *National Lampoon's Animal House*. Praise for the documentary *Drunk Stoned Brilliant Dead (2015)*: This film looks longingly back at the 1970s when a smart, tasteless joke could make you laugh out loud without worrying about hurting someone's feelings or being attacked on social media. —The New York Times It all looks like more fun than you or I will ever have in our lives, and Chevy Chase and Ivan Reitman are on hand to tell some of the stories. —Hollywood Reporter

Take students in grades 5 and up on a field trip without leaving the classroom using World Geography Puzzles! In this 80-page book, students explore the five themes of geography and the world continents with crosswords, word searches, word scrambles, decoding, hidden messages, and last letter/first letter puzzles. The activities reinforce vocabulary and concepts of location, human-environment interaction, movement, and regions. Activities for each continent highlight cities, physical features, cultures, and ideas.

Perfected over three editions and more than forty years, this field- and classroom-tested reference: * Uses the method of maximum likelihood to a large extent to ensure reasonable, and in some cases optimal procedures. * Treats all the basic and important topics in multivariate statistics. * Adds two new chapters, along with a number of new sections. * Provides the most methodical, up-to-date information on MV statistics available.

Algebra Quick Starts for seventh to twelfth grades provides skill practice for real numbers, quadratic equations, and more. This algebra resource book is ideal for daily warm-ups, test reviews, and learning centers. Each page of this Mark twain Math resource book includes two to four quick starts.

Tired of wasting hundreds of dollars on expensive wrinkle creams, drying lotions, and zit-zappers that just don't work? Well listen up, ladies. To really get gorgeous, you've got to change the way you feed your face. Cosmetics companies, women's magazines—heck, even most doctors—will swear that food doesn't affect the skin. But celebrity dermatologist Dr. Jessica Wu

knows that's just not true. After years spent battling her own pimple-prone, "problem" skin (not to mention caring for some of Hollywood's most famous faces), she's learned that what you eat has everything to do with the condition of your complexion. Packed with patient testimonials and celebrity anecdotes from stars like Katherine Heigl, Maria Bello, Kimora Lee Simmons, and Lisa Ling, FEED YOUR FACE is an easy-to-follow, 28-day diet plan that will help you banish blemishes, wipe out wrinkles, shed unwanted pounds, and generally feel better—in your clothes and in your skin. Along the way, Dr. Wu will dish the dirt on her journey from Harvard Medical School to the glamorous Hollywood Hills, while offering realistic, practical beauty and diet advice for women of all ages. Want to soften your crow's-feet? Find out which foods will turn back time. Plagued by pimples? Discover the snacks that will erase stubborn blemishes. Did you know milk doesn't always do a body good? Feel a sunburn coming on? Learn why red wine may save your skin from peeling and flaking. What does a hard-partying rock star eat for good skin? So stop thinking about food in terms of what you can't have: no butter, no red meat, no fat, and no flavor. Instead, discover the foods that will keep you feeling full and looking gorgeous. Follow the FEED YOUR FACE Diet, and you can have pizza. You can go out for Italian, indulge in Chinese takeout, and dine at The Cheesecake Factory (with the help of the FEED YOUR FACE Restaurant Guide). Because you do have the power to change your skin. All you have to do is eat.

Little Mouse finds various ways to planting seeds of kindness throughout the day whether it is sharing with friends or calling a loved one out of the blue. The seeds of kindness grow in our hearts all day through in this lovely padded board book that is sure to be a family treasure.
