Outlook explores the relationship of lesbian and gay sexualities to visual representation. It reflects the richness of lesbian and gay ways of producing and reading visual cultures, at the same time as it tackles such burning issues as the advantage of adopting a queer perspective on past art, the responses of lesbian and gay artists to the AIDS crisis, and society's attempts to censor homosexual art. This volume provides a space for lesbian and gay artists to exhibit their work and discuss its relationship to sexuality. It allows for a wide ranging theoretical and historical discussion of the place of lesbian and gay men within visual cultures and shows how much has been missed by a heterosexist approach to art history and the study of culture. Richly illustrated, this book includes statements by contemporary lesbian and gay artists, photographers and performers as well as articles by art historians, cultural theorists and lesbians and gay activists.

Three exquisite little flip books featuring von Teese's most popular burlesque performances, as photographed by Niels, are presented together in a flocked keepsake box.

Keith Vaughan (1912-77) was a major figure in post-war British art who is known for his searching portraits of the male nude and his association with the Neo-Romantic painters. Documents the history of homosexuality and its representation in art, using objects from the British Museum's collection that date from 9000 BC to the present to illustrate how same-sex love has always been a part of human history.

Penthouse Variations on Kink delves deep into the decadent desires of bondage lovers. This collection of unrestrained erotica is filled with tales of couple-friendly kink that spill the secrets of men and women who love to be tied, teased, and pleased. These amorous adventurers find that a coil of rope or a pair of cuffs can unlock sensual fantasies of submission, and indulging in such captivating play sets their passion free. Novice fetishists and experienced players become inspired by these bold tales of bondage bliss from Penthouse Variations magazine. Kink is coming out of the (well-equipped) closet and entering the mainstream thanks to pop culture and sites like wildly popular Fetlife, the "Facebook for fetishes" with millions of users, Kink.com, and even huge events like ComicCon and Wondercon having kink and BDSM workshops. Penthouse Magazine has served up kinky delights to over 360 million readers and goes all the way within this collection of commanding stories.

Kegan Gardiner, Katie Hogan, Jonathan M. Hollister, Yetta Howard, Katherine Kelp-Stebbins, Don L. Latham, Vanessa Lauber, Katherine Parker-Hay, Anne N. Thalheimer, Janine Utell, and Susan R. Van Dyne Alison Bechdel is both a driver and beneficiary of the welcoming of comics into the mainstream. Indeed, the seemingly simple binary of outside/inside seems perpetually troubled throughout the career of this important comics artist, known for *Fun Home*, *Are You My Mother?*, and *Dykes to Watch Out For*. This volume extends the body of scholarship on her work from a range of interdisciplinary perspectives. In a definitive collection of original essays, scholars cover the span of Bechdel's career, placing her groundbreaking early work within the context of her more well-known recent projects. The contributors provide new insights on major themes in Bechdel's work, such as gender performativity, masculinity, lesbian politics and representation, trauma, life writing, and queer theory. Situating Bechdel among other comics artists, this book charts possible influences on her work, probes the experimental traits of her comics in their representations of kinship and trauma, combs archival materials to gain insight into Bechdel's creative process, and analyzes her work in community building and space making through the comics form. Ultimately, the volume shows that Bechdel's work consists of performing a series of selves—serializing the self, as it were—each constructed and refracted across and within her chosen artistic modes and genres.
