Changing Places (1975) is the first " campus novel " by British novelist David Lodge. The subtitle is "A Tale of Two Campuses", and thus both the title and subtitle are literary allusions to Charles Dickens ' A Tale of Two Cities. It is the first text in Lodge's 'Campus Trilogy' of novels, followed by Small World (1984) and Nice Work (1988).

and published in 1975. The sexual revolution, Vietnam, student sit-ins and smoking "pot" are all highly topical themes; the novel is pure "psychedelic '60's." The style is redolent of Lodge's dry, sardonic humour, so it is very entertaining to read.

Changing Places by David Lodge - Goodreads

CHANGING PLACES is aptly named, since this campus novel and satire shows two professors, who are opposites in almost every respect, assuming each other's faculty positions in an exchange program and then acquiring loving roles in each other's family and marriage.

damp red-brick University of Rummidge have an annual professorial exchange scheme, and as the first day of the last year of the tumultuous sixties dawns, Philip Swallow and Morris Zapp are the designated exchangees. They know they'll be swapping class rosters, but what they don't know is that in a wildly spiraling transatlantic involvement they'll soon be swapping students, colleagues, and even wives. Changing Places is a hilarious send-up of academic life, intellectual fashion, sex, and marriage by a writer Anthony Burgess has called "one of the best novelists of his generation."

that the author has now made completely his own...a cause for celebration." -The New York Times Book Review David Lodge's three delightfully sophisticated campus novels, now gathered together in one volume, expose the world of academia at its best-and its worst. In Changing Places, we meet Philip Swallow, British lecturer in English at the University of Rummidge, and the flamboyant American Morris Zapp of Euphoric State University, who participate in a professorial exchange program at the close of the tumultuous sixties. Ten years later in Small World, older but not noticeably wiser, they are let

loose on the international conference circuit-along with a memorable and somewhat oversexed cast of dozens. And in Nice Work, the leftist feminist Dr. Robyn Penrose at Rummidge University is assigned to shadow the director of a local engineering firm, sparking a collision of ideologies and lifestyles that seems unlikely to foster anything other than mutual antipathy.

When Vic Wilcox (MD of Pringle's engineering works) meets English lecturer Dr Robyn Penrose, sparks fly as their lifestyles and ideologies collide head on. What, after all,

are they supposed to learn from each other? But in time both parties make some surprising discoveries about each other's worlds - and about themselves.

Philip Swallow, Morris Zapp, Persse McGarrigle and the lovely Angelica are the jet-propelled academics who are on the move, in the air and on the make in David Lodge's satirical *Small World*. It is a world of glamorous travel and high excitement, where stuffy lecture rooms are swapped for lush corners of the globe, and romance is in the air...

The subject of enthusiastic and widespread reviews, David Lodge's fourteenth work of fiction displays the humor and shrewd observations that have made him a much-loved icon. Deaf Sentence tells the story of Desmond Bates, a recently retired linguistics professor in his mid-sixties. Vexed by his encroaching deafness and at loose ends in his personal life, Desmond inadvertently gets involved with a seemingly personable young American female student who seeks his support in matters academic and not so academic, who finally threatens to destabilize his life

writers, a man who immersed himself in socialist politics and free love, whose meteoric rise to fame brought him into contact with the most important literary, intellectual, and political figures of his time, but who in later years felt increasingly ignored and disillusioned in his own utopian visions. Novelist and critic David Lodge has taken the compelling true story of Wells's life and transformed it into a witty and deeply moving narrative about a fascinating yet flawed man. Wells had sexual relations with innumerable women in his lifetime, but in 1944, as he finds himself

dying, he returns to the memories of a select group of wives and mistresses, including the brilliant young student Amber Reeves and the gifted writer Rebecca West. As he reviews his professional, political, and romantic successes and failures, it is through his memories of these women that he comes to understand himself. Eloquent, sexy, and tender, the novel is an artfully composed portrait of Wells's astonishing life, with vivid glimpses of its turbulent historical background, by one of England's most respected and popular writers.
