Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Download free NCERT Solutions of chapter 18- ‘Work, Life and Leisure’ available at Bright Tutee. NCERT solutions are the answers of all the questions of textbook questions of Social Science. Textbook’s questions help you in understanding a chapter in a better way and in scoring higher marks. These solutions are available in Ebook at free of cost. You just have to click the ‘download’ button and it will be downloaded on your desktop, laptop or mobile phones. ‘Work, Life and Leisure’ is the eighteenth chapter in class 10th Social Science which talks about the topics like ‘Characteristics of the city’, ‘Social change in the city and Politics in the city’, and ‘The city in colonial India and Cities and the challenges of the Environment’. Why you must download the NCERT solutions of the chapter ‘Work, Life and Leisure’? The NCERT solutions consist of the solutions of all the questions of the textbook in detail and easy language. • You get all the solutions of the book at one place. • These solutions are prepared and reviewed by our experienced and competent teachers. • You can download these NCERT solutions on any device like laptops, mobile phones, or desktop. • These solutions are convenient to carry. You can carry it anywhere be it your friend’s house, relative’s house and you can study there. • These solutions help you to complete your homework and to prepare you for exams in a better way. • And most importantly, these solutions are absolutely free. You do not have to spend a single penny for it. Bright Tutee also provides class 10th Social Science full course which comprises video lectures, assignments, MCQs, question-banks and sample papers, model test papers and previous years’ question papers to practice the question papers well. You can download our Social Science Class 10th book immediately to score the top marks in class 10th Social Science.

A sweeping narrative history of Eastern Europe from the late eighteenth century to today In the 1780s, the Habsburg monarch Joseph II decreed that henceforth German would be the language of his realm. His intention was to forge a unified state from his vast and disparate possessions, but his action had the opposite effect, catalyzing the emergence of competing nationalisms among his Hungarian, Czech, and other subjects, who feared that their languages and cultures would be lost. In this sweeping narrative history of Eastern Europe since the late eighteenth century, John Connelly connects the stories of the region’s diverse peoples, telling how, at a profound level, they have a shared understanding of the past. An ancient history of invasion and migration made the region into a cultural landscape of extraordinary variety, a patchwork in which Slovaks, Bosnians, and countless others live shoulder to shoulder and where calls for national autonomy often have had bloody effects among the interwoven ethnicities. Connelly traces the rise of nationalism in Polish, Austro-Hungarian, and Ottoman lands; the creation of new states after the First World War and their later absorption by the Nazi Reich and the Soviet Bloc; the reemergence of democracy and separatist movements after the collapse of communism; and the recent surge of populist politics throughout the region. Because of this common experience of upheaval, East Europeans are people with an acute feeling for the precariousness of history: they know that nations are not eternal, but come and go; sometimes they disappear. From Peoples into Nations tells their story.

The Public Health Foundation (PHF) in partnership with the Centers for Disease Control and Prevention (CDC) is pleased to announce the availability of Epidemiology and Prevention of Vaccine-Preventable Diseases, 13th Edition or “The Pink Book” E-Book. This resource provides the most current, comprehensive, and credible information on vaccine-preventable diseases, and contains updated content on immunization and vaccine information for public health practitioners, healthcare providers, health educators, pharmacists, nurses, and others involved in administering vaccines. “The Pink Book E-Book” allows you, your staff, and others to have quick access to features such as keyword search and chapter links. Online schedules and sources can also be accessed directly through e-readers with internet access. Current, credible, and comprehensive, “The Pink Book E-Book” contains information on each vaccine-preventable disease and delivers immunization providers with the latest information on: Principles of vaccination General recommendations on immunization Vaccine safety Child/adult immunization schedules International vaccines/Foreign language terms Vaccination data and statistics The E-Book format contains all of the information and updates that are in the print version, including: · New vaccine administration chapter · New recommendations regarding selection of storage units and temperature monitoring tools · New recommendations for vaccine transport · Updated information on available influenza vaccine products · Use of Tdap in pregnancy · Use of Tdap in persons 65 years of age or older · Use of PCV13 and PPSV23 in adults with immunocompromising conditions · New licensure information for varicella-zoster immune globulin Contact bookstore@phf.org for more information. For more news and specials on immunization and vaccines visit the Pink Book’s Facebook fan page

Historians are concerned today that the Spaniards’ early accounts of their first experiences with the Indians in the Americas should be balanced with accounts from the Indian perspective. We People Here reflects that concern, bringing together important and revealing documents written in the Nahuatl language in sixteenth-century Mexico. James Lockhart’s superior translation combines contemporary English with the most up-to-date, nuanced understanding of Nahuatl grammar and meaning. The foremost Nahuatl conquest account is Book Twelve of the Florentine Codex. In this monumental work, Fray Bernardino de Sahagn commissioned Nahuas to collect and record in their own language accounts of the conquest of Mexico; he then added a parallel Spanish account that is part summary, part elaboration of the Nahuatl. Now, for the first time, the Nahuatl and Spanish texts are together in one volume with en face English translations and reproductions of the copious illustrations from the Codex. Also included are five other Nahua conquest texts. Lockhart’s introduction discusses each one individually, placing the narratives in context.

Recent world history in a motivating format Glencoe World History: Modern Times draws on the features of Glencoe World History to motivate students, help them understand the connections between recent world events and issues, and give them an appreciation for the interconnectedness of the world’s regions and peoples.
