MODEL 06701289 † PRODUCT GUIDE - Char-Broil

The Char-Broil Deluxe Digital Electric Smoker is mostly ready to go out of the box. We followed the simple instructions, placing a few items including the trays, water pan, and firebox inside the unit. Like most any smoker coming from an assembly line, the Char-Broil Deluxe requires a burn-off “seasoning” period before it’s food-safe.
