New Orleans is a hot mess. Ancient feuds. Demonic forces bent on destruction. Oh, and apparently vampires are real. Della didn't sign up for any of this. She didn't sign up for violence and mayhem in the streets of the Big Easy. She didn't sign up to be a magnet for an evil force intent on hunting down the reincarnated souls of its enemies. She sure as hell didn't sign up for rescue by a sinfully tempting vampire lord and his fashion-model-gorgeous friends. Especially since he seems convinced that she's the living embodiment of his long lost human mate. Seriously, this kind of stuff isn't supposed to happen to insurance company receptionists from New Jersey. The world is descending into chaos. Now, a coven of hypnotically alluring bloodsuckers is trying to convince her they're the good guys. And the really scary part is, she's starting to believe them. \* \* \* The Circle of Blood Series In another lifetime, six vampires lost their mates-and their mortality-to an unimaginable evil power. Now, if they can't reunite with the reincarnated souls of their lost loves soon, it may just mean the end of the world. From award-winning author R. A. #1 New York Times bestselling author Nora Roberts' Circle Trilogy begins with an epic tale that breaks down the boundaries between reality and the otherworldly, while forging together the passions of the men and women caught in a battle for the fate of humanity... In the last days of high summer, with lightning striking blue in a black sky, the sorcerer stood on a high cliff overlooking the raging sea... Belting out his grief into the storm, Hoyt Mac Cionaoith rails against the evil that has torn his twin brother from their family's embrace. Her name is Lilith. Existing for over a thousand years, she has lured countless men to an immortal doom with her soul-stealing kiss. But now, this woman known as vampire will stop at nothing until she rules this world—and those beyond it... Hoyt is no match for the dark siren. But his powers come from the goddess Morrigan, and it is through her that he will get his chance at vengeance. At Morrigan's charge, he must gather five others to form a ring of power strong enough to overcome Lilith. A circle of six: himself, the witch, the warrior, the scholar, the one of many forms, and the one he's lost. And it is in this circle, hundreds of years in the future, where Hoyt will learn how strong his spirit—and his heart—have become... As she uses her knowledge of forensic medicine to investigate the death of a young runaway, seventeen-year-old Cameryn Mahoney, an assistant to her coroner father, worries that her secretive mother may be involved.

In another lifetime, six vampires lost their mates and their mortality to an unimaginable evil power. Now, if they can't reunite with the reincarnated souls of their lost loves, it may just mean the end of the world.

#1 New York Times bestselling author Nora Roberts presents the electrifying conclusion to her powerful Circle Trilogy. Worlds have collided and centuries have elapsed as six people have brought their unique powers, their courage, and their hearts to a battle that could drown humanity in darkness... Her face, so pale when she'd removed her cloak, had bloomed when her hand had taken the sword. Her eyes, so heavy, so somber, had gone as brilliant as the blade. And had simply sliced through him, keen as a sword, when they'd met his... In the kingdom of Geall, the scholarly Moira has taken up the sword of her people. Now, as queen, she must prepare her subjects for the greatest battle they will ever fight—against an enemy more vicious than any they have seen. For Lilith, the most powerful vampire in the world, has followed the circle of six through time to Geall. Moira also has a personal score to settle. Vampires killed her mother—and now, she is

ready to exact her revenge. But there is one vampire to whom she would trust her soul... Cian was changed by Lilith centuries ago. But now, he stands with the circle. Without hesitation, he will kill others of his kind—and has earned the respect of sorcerer, witch, warrior, and shape-shifter. But he wants more than respect from Moira—even though his desire for her makes him vulnerable. For how can a man with an eternity to live love a woman whose life is sure to end—if not by Lilith's hand, then by the curse of time? “[Roberts] is one of the best writers in the romance world.”—The Best Reviews
