The Complete Idiot ' s Guide to Running a Half Marathon. By Megan Harrington.

If you ' re a runner, chances are the half marathon distance is on your radar.

According to the annual half marathon report compiled by Running USA, nearly 2 million runners finished a 13.1-mile race in 2015. The distance is popular for good reason: It ' s long enough to feel like a major accomplishment, but the training isn ' t as time-consuming as a full marathon.
