Although it was published in the 2000, I believe the foundation of the race issue in evangelical churches remains mostly the same.

Divided by Faith: Evangelical Religion and the Problem of ...
The introduction of Divided by Faith delineates key terms in their study, particularly the identity of evangelicals, which the authors apply broadly: holding to the authority of Scripture, believe Christ died for the salvation of all, and teaching the necessity of "being born again," with evangelism being a central tenet.

Book Review: Divided by Faith Divided by Faith: Evangelical
Religion and the Problem of Race in America. By Michael O.
Emerson and Christian Smith (reviewed by Peter DeHaan)
Divided by Faith investigates race relations between whites
and blacks in the United States. Although white evangelicals
have a well-intentioned desire to end racial inequality, their
efforts can—and have—unwittingly serve to do more harm than
good, “actually recreating racial divisions and inequalities,” (p
1).

Through a nationwide telephone survey of 2,000 people and an additional 200 face-to-face interviews, Michael O. Emerson and Christian Smith probed the grassroots of white evangelical America. They found that despite recent efforts by the movement's leaders to address the problem of racial discrimination, evangelicals themselves seem to be preserving America's racial chasm. In fact, most white evangelicals see no systematic discrimination against blacks. But the authors contend that it is not active racism that prevents evangelicals from recognizing ongoing problems in American society. Instead, it is the evangelical movement's emphasis on individualism, free will, and personal relationships that makes invisible the pervasive injustice that perpetuates racial inequality. Most racial problems, the

subjects told the authors, can be solved by the repentance and conversion of the sinful individuals at fault. Combining a substantial body of evidence with sophisticated analysis and interpretation, the authors throw sharp light on the oldest American dilemma. In the end, they conclude that despite the best intentions of evangelical leaders and some positive trends, real racial reconciliation remains far over the horizon.

In recent years, the leaders of the American evangelical movement have brought their characteristic passion to the problem of race, notably in the Promise Keepers movement and in reconciliation theology. But the authors of this provocative new study reveal that despite their good intentions, evangelicals may actually be preserving America's

Racial chasm. In *Divided by Faith*, Michael O. Emerson and Christian Smith probe the grassroots of white evangelical America, through a nationwide telephone survey of 2,000 people, along with 200 face-to-face interviews. The results of their research are surprising. Most white evangelicals, they learned, see no systematic discrimination against blacks; indeed, they deny the existence of any ongoing racial problem in the United States. Many of their subjects blamed the continuing talk of racial conflict on the media, unscrupulous black leaders, and the inability of African Americans to forget the past. What lies behind this perception? Evangelicals, Emerson and Smith write, are not so much actively racist as committed to a theological view of the world that makes it difficult for them to see systematic

modern Europe, when the issue of religious toleration was no less pressing than it is today. Divided by Faith is both history from the bottom up and a much-needed challenge to our belief in the triumph of reason over faith. This compelling story reveals that toleration has taken many guises in the past and suggests that it may well do the same in the future.

The essays in Christians and the Color Line complicate the research findings of Emerson and Smith's Divided by Faith (2000) and explore new areas of research that have opened in the years since its publication.

Presents an argument for multiracial Christian congregations in breaking down racial barriers in the United States.

Mark Noll has written a major indictment of American evangelicalism. Reading this book, one wonders if the evangelical movement has pandered so much to American culture and tried to be so popular only to lose not only its mind but its soul as well. For evangelical pastors and parishioners alike, this is a must read! --Robert Wuthnow.

□An excellent study of evangelicalism□ from the award-winning sociologist and author of *Souls in Transition* and *Soul Searching* (Library Journal). Evangelicalism is one of the strongest religious traditions in America today; twenty million Americans identify themselves with the evangelical movement. Given the modern pluralistic world we live in, why

is evangelicalism so popular? Based on a national telephone survey and more than three hundred personal interviews with evangelicals and other churchgoing Protestants, this study provides a detailed analysis of the commitments, beliefs, concerns, and practices of this thriving group. Examining how evangelicals interact with and attempt to influence secular society, this book argues that traditional, orthodox evangelicalism endures not despite, but precisely because of, the challenges and structures of our modern pluralistic environment. This work also looks beyond evangelicalism to explore more broadly the problems of traditional religious belief and practice in the modern world. With its impressive empirical evidence, innovative theory, and substantive conclusions, American Evangelicalism will provoke lively

debate over the state of religious practice in contemporary America. Based on a three-year study of American evangelicals, Smith takes the pulse of contemporary evangelicalism and offers substantial evidence of a strong heartbeat . . . Evangelicalism is thriving, says Smith, not by being countercultural or by retreating into isolation but by engaging culture at the same time that it constructs, maintains and markets its subcultural identity. Although Smith depends heavily on sociological theory, he makes his case in an accessible and persuasive style that will appeal to a broad audience. Publishers Weekly

Bookmark File PDF Divided By Faith Evangelical Religion And The Problem Of

Journalist Edward Gilbreath gives an insightful, honest picture of both the history and the present state of racial reconciliation in evangelical churches. In his thoughtful overview he looks at a wide range of figures, such as Howard O. Jones, Tom Skinner, Dr. Martin Luther King Jr., Jesse Jackson and John Perkins. Charting progress as well as setbacks, his words offer encouragement for black evangelicals feeling alone, clarity for white evangelicals who want to understand more deeply, and fresh vision for all who want to move forward toward Christ's prayer "that all of them may be one."
