Drawings and Plans of Frank Lloyd Wright: The Early Period ...

Drawings and Plans of Frank Lloyd Wright | I would much rather build than write about building, but when I am not building, I will write about building -- or the significance of those buildings I have already built. -- Frank Lloyd Wright Frank Lloyd Wright built a body of works and drawings to illustrate and explain his work: collections of designs with commentary that temperamentally parallel ...

Drawings and Plans of Frank Lloyd Wright: Frank Lloyd ...

Elegant full-page architectural drawings and plans show Wright's atelier in Oak Park, Illinois, many homes, cottages, banks, a burial chapel, Unity Church temple, a concrete house designed for Ladies' Home Journal and numerous studies for buildings, treated as problems in design, that were never built. The republication of this rare work gives access again to what has been called the single most important collection of work published by Frank Lloyd Wright.
