### Elephant Walk Indian Bar and Grill

An elephant walk is a USAF term for the taxiing of military aircraft right before takeoff, when they are in close formation. Often, it takes place right before a minimum interval takeoff.

### Elephant walk (aeronautics) - Wikipedia

Very popular in the United States, the exercise known as the "elephant walk" consists of rolling a large number of aircraft in close formation on a runway before taking off in short intervals. It is a way to evaluate the availability of a country's air force and is implicitly a strong demonstration of power.

### Qatar Emiri Air Force performs impressive "elephant walk"

Elephant Walk As one of the oldest standing traditions at A&M, Elephant Walk has a rich history that began with the class of 1926. After losing the first two games of their football season in 1922, the freshman class marched around Kyle Field together, led by a piccolo player and a brass horn to the tune of a mournful funeral march, trying to break the "curse" of the team.
