Vocabulary exercises for learners of English as a second
An educated native speaker of English has a passive vocabulary of about 40,000 words and an active one of around 20,000. We don't expect our students to get to that level, but it's often said that knowing 2,000-3,000 base words allows English learners to express what they want to say and understand 90 percent of what they read and hear.
