Book Review: Figure Drawing: Design and Invention. The approach covered is primarily concerned with the use of line, development of form, and the simplified design of anatomy. It doesn't go into contour drawing, shading and expression.

Read PDF Figure Drawing

and Invention Great
book. Although the
author says it is best for
hero figure drawing, I
think the exercises there
and ways of approach to
drawing figure is
excellent for any nude
drawing. I draw
classical nudes and I
find this book is very
helpful. This is the best
book to learn from.
