Ray Stedman guides you on a verse-by-verse exploration of the book of Revelation, bringing to life the mysteries of this highly symbolic book of the Bible. God's Final Word encompasses and brings into brilliant focus the entire scope of human history—of eternity itself.

Revelation: God's Final Word is a guide to unraveling the truth of the mysterious last book in the Bible, chapter by chapter. Each of the 22 chapters corresponds with the chapters in Revelation, so you can easily use this book for individual study or in a small group setting to discuss each chapter. This format will also help you "keep your place" in the storyline and provide you with an easy-to-use study guide resource.

A verse-by-verse commentary that brings to life the mysteries of John's Revelation. Stedman says, 'The book of Revelation is vibrant, alive, and profoundly applicable to the times in which you and I live.'

Tempered Resilience by Tod Bolsinger is about forming resilience so leaders can lead through the resistance that always accompanies change. This eight-session study guide is designed to lead to honest conversations for self-discovery as well as offer practices that leaders and their teams can take on together.

Have you ever heard someone say they are afraid of the book of Revelation? Or perhaps without knowing, simply described the book in a negative or challenging way? Nothing could be more incorrect as the entire book is a descriptive and poignant expression of what John was blessed to see that each of us longs to know—a place, an end, an eternity that is promised and is the very definition of hope, extravagant hope. As a part of the Beautiful Word Bible Study Series, Bible teacher and author Margaret Feinberg digs into the book of Revelation and the letters to the churches found there. She takes complex and sometimes illusive content and leads on a journey where we come to realize everything we have hoped for is there, on the pages, waiting for us. Margaret connects beautiful words to this final book of the

Designed to accompany The Anatomy and Physiology Learning System, 4th Edition, by Edith Applegate, this study guide helps you learn and review basic A&P concepts. Each chapter emphasizes medical terminology with a set of key terms, word parts, clinical terms, and abbreviations, and then adds a variety of fun-filled learning exercises, review questions, a quiz, and a word puzzle. The study guide corresponds to the textbook chapter for chapter. Chapter learning objectives help you focus on the most important material. Key concepts are defined on the first page of each chapter in the workbook. Learning exercises for each chapter include short answer, matching, and diagrams to label and color. Self-quizzes allow you to measure your progress and understanding. Fun and Games features end each chapter with a variety of engaging puzzles covering words and concepts. A chapter summary provides a brief review of each chapter. A chapter review provides questions for reinforcement and review of the concepts in each chapter.
