Inclusion of Connect and Connect Plus provides students every advantage as they strive to understand the key concepts of accounting and their role in business.

For introductory International Business courses with the need for a brief, accessible text. International Business 4/e places culture and globalization front and center to motivate and enable students to grasp difficult conceptual material. This approach has made it the fastest growing international business book available today.

Wild's Managerial Accounting presents the managerial accounting course content using a corporate approach. It features the same student-friendly writing style and learning tools that have enjoyed consistent success with students and instructors using other texts in the Wild series. Also consistent with this series is Managerial Accounting's focus on the "Three C's": Clear presentation of accounting concepts, Concise coverage to help students focus on important material, Cutting edge technology to engage students and improve their chances for success. The author provides a balance of small and leaf.
