Your class will enjoy the mystery of following step-by-step directions without knowing the results until they're actually done!

Motivate your students to write with fun-filled reproducibles for every month! Each reproducible pairs a drawing prompt with quick writing prompts on favorite topics: autumn harvest, animals, 100th day, holidays, weather, classroom community, and more. As a pre-writing warm-up, drawing pictures sparks kids' interest, helps them generate ideas and details for writing, and makes their subjects lively and real. A great way to encourage reluctant writers! For use with Grades K-2.

The last two decades have yielded some important research on how first and second generation immigrant children live and study in the United States. In particular, there are some significant findings that concern young children's second language development. This book provides an overview of recent linguistic and methodological research and examines the ways in which new theoretical findings can inform classroom practice. Gordon is particularly concerned with ways of rendering instruction intellectually challenging and exciting in the primary level ESL classroom.

This packet provides teachers and parents with a wide variety of activities to use at home or in the classroom to enhance any reading program. The comprehension activities have been selected to provide opportunities for students to practice following directions and sequences, and the assessment rubrics helps you track progress in achieving those skills.

The full-colour Canadian Curriculum Press Pre-K Reading Readiness workbook introduces children to key pre-reading skills that they will encounter in kindergarten classrooms across Canada. Its activities focus on letter recognition and sounds from Aa to Zz, alphabet sentences, rhyming, alphabetical order, introduction to reading comprehension, and much more.
