In its essentials, Frederica is a simple story. Vernon Dauntry, the Marquis of Alverstoke, is an elegant aristocrat, wealthy and exceedingly selfish, a character out of the Regency Heyer thoroughly understands. Alverstoke, at thirty-seven, is a confirmed bachelor, bored silly by anyone or anything that doesn ' t offer him self-indulgence.

Frederica is one of Georgette Heyers best, and translates wonderfully into audio. I thoroughly enjoyed this audio version of one of my long time favorites. Narrator Clifford Norgate does a wonderful job making these characters come to life. Thank you Audible for making books by this author available.

The author makes Frederica captivating by giving her the witty self aware lines of a genuine human being. She is the most down to earth Heyer heroine, a loving big sister looking out for her siblings. The Marquis of Alverstoke is a great character, a distant cynical man brought undone by Frederica 's
