[5 Best Pharmacology Flashcards for Nursing Students](#)
The way nursing school approaches teaching pharmacology varies widely, but the subject matter remains the same. There are different pieces of information to know; some require straight memorization and repetition (dosages, names, antidotes), while others require some deeper understanding (like the mechanism of action, applying it to a clinical situation).

[Pharmacology Tips for Nursing Students - From a Nurse](#)
The SOCK Method for Mastering Nursing Pharmacology (free) For many students, I've found that the only thing really standing between them and success in pharm is a method for learning medications and drugs. When I finally realized that, I went to work developing the S.O.C.K. Method (yes, that's really the name).
