Hi, I'm from Malaysia, and I own a Golf Mk 5 with electric power steering. Vehicle was in workshop for sometime, and battery was weak. Car was also jacked up to remove rims. Battery removed from car and recharged. When battery was re-installed, RED power-steering warning light came on, and 100% no more power assistance.

Bentley Publishers is the exclusive factory-authorized publisher of Volkswagen Service Manuals in the United States and Canada. In every manual we provide full factory repair procedures, specifications, tolerances, electrical wiring diagrams, and lubrication and maintenance information. Bentley manuals are the only complete, authoritative source of Volkswagen maintenance and repair information. Even if you never intend to service your car yourself, you'll find that owning a Bentley Manual will help you to discuss repairs more intelligently with your service technician.
