right? Finding the answers to these questions is critical to the effectiveness of a co-teaching program that is grounded in inclusive educational practices. In this book, you'll learn how co-teachers

- \* Define what effective co-teaching is and what it is not;
- \* Engage students in evolving groups, using multiple perspectives for meaningful learning opportunities;
- \* Resolve differences in teaching and assessment practices;
- \* Respond to parents and students about inclusion and co-teaching concerns; and
- \* Organize and teach an equitable, inclusive

Classroom. Concise and informative answers to questions posed by real teachers, administrators, and parents help you learn about the components of co-teaching. And vignettes about issues that arise in co-teaching situations will help you start conversations and solve day-to-day challenges inherent to co-teaching. Whether you're already involved in co-teaching programs or are soon to embark on the effort, *Teaching in Tandem* provides knowledge and tools that you can use to create effective partnerships and powerful learning environments for teachers

Of Books Seldom does a book have the impact of Michelle Alexander's *The New Jim Crow*. Since it was first published in 2010, it has been cited in judicial decisions and has been adopted in campus-wide and community-wide reads; it helped inspire the creation of the Marshall Project and the new \$100 million Art for Justice Fund; it has been the winner of numerous prizes, including the prestigious NAACP Image Award; and it has spent nearly 250 weeks on the New York Times bestseller list. Most important of all, it has spawned a whole generation of criminal
