Expanding on Proven Success with Horngren's Financial and Managerial Accounting Horngren ' s Financial and Managerial Accounting presents the core content of the accounting course in a fresh format designed to help today ' s learners succeed. The Eleventh Edition expands on the proven success of the significant revision to the Horngren franchise and uses what the authors have learned from focus groups, market feedback, and colleagues to create livelier classrooms, provide meaningful learning tools, and give professors resources to help students inside and outside the class. First, the authors ensured that content was clear, consistent, and above all, accurate. Every chapter is reviewed to ensure that students understand what they are reading and that there is consistency from chapter to chapter. The author team worked every single accounting problem and employed a team of accounting professors from across the nation to review for accuracy. This edition continues the focus on student success and provides resources for professors to create an active and engaging classroom. Through MyAccountingLab, students have the opportunity to watch author recorded solution videos, practice the accounting cycle using an interactive tutorial, and watch in-depth author-driven animated lectures that cover every learning objective. In addition, all instructor resources have been updated to accompany this edition of the book, including the PowerPoint presentations and Test Bank. Also available with MyAccountingLab ® MyAccountingLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

Readers looking for a dynamic way to learn accounting. Redefining tradition in the accounting course. The tenth edition of Horngren ' s Accounting presents the core content of the accounting course in a fresh format designed to help today ' s learners succeed. Built upon the foundation of the Horngren franchise, this new edition was created by an all-new author team who sought to bridge the gap between textbook content and classroom instruction techniques. New pedagogical features such as Instructor Tips & Tricks and Common Questions, Answered walk students through the material as a great instructor would, fostering deeper understanding of accounting theory and practice. The table of contents for the tenth edition has been significantly overhauled to match the way the contemporary course is often taught. Additionally, the whole text has been put through a rigorous accuracy check, so instructors can be confident that it is up-to-date and error-free. And thorough integration between the text and MyAccountingLab places practice opportunities just a few clicks away—and provides a truly interactive learning experience.
