Categories: Drawing Royalty. Article Summary

X. To draw a princess, start by drawing an egg-shaped outline of the head, and sketching out the outlines for the shoulders, arms, and dress. Next, add in details to the face, like ears and eyes, then use curved lines to create a neck between the head and shoulders. Once the face and body details are finished, sketch in the hair and the details on the dress.

In order for our princess drawing to look more lively and completed, we must draw the shades. First, with pretty light lines, we outline the location of the shadows. After that we shade the outlined areas with the help of dense and uniform shading. You can add another layer of hatching to make individual areas even darker.
