A comprehensive worship supplement that will fit many churches' needs for quality modern music resources, arranged seasonally and thematically. The 330 hymns and songs included represent today's most influential writers and styles- Includes several songs from the world church and other short songs and chants.

Songs of Praise was first published in 1925, and is still an immensely popular hymnbook, particularly in schools. The compilation falls into two parts: Book 1 contains hymns grouped by subject and theme, together with a selection of verses, canticles and doxologies; Book 2 contains general hymns listed alphabetically by first line.

Hymns powerfully express the response of Christians to the love and grace of God. They bring comfort in life's dark days and express shared joys at times of celebration. This volume includes 40 of history's most popular hymns, ranging from old and new, from great communal anthems to personal worship songs. Andrew Barr skillfully weaves insights into the origins and authors of each song with contemporary stories of the part they have played in people's lives.

Traditional hymns are often performed alongside contemporary praise and worship songs in many of today's church services, giving rise to the term "blended worship." This distinctive collection provides a valuable resource for pianists who
