International business refers to the trade of goods, services, technology, capital and/or knowledge across national borders and at a global or transnational scale. It involves cross-border transactions of goods and services between two or more countries. Transactions of economic resources include capital, skills, and people for the purpose of the international production of physical goods and services such as finance, banking, insurance, and construction. International business is also known as

Revised edition of International business, 2015.

For undergraduate and graduate level international business courses. International Business, 12/e is an authoritative and engaging voice on conducting business in international markets.

This book is about international businessinternational firms, their business activities across borders, the environment in which they operate, and management. The book produces a clear and concise introduction to international business, setting a global standard for studying and understanding of international business as required by practicing managers and those in colleges and universities who are aspiring to become international business managers.

For undergraduate and graduate International Business courses An effective balance between authoritative theory and meaningful practice. International Business is an authoritative and engaging voice on conducting business in international markets. This text not only describes the ideas of international business but it also uses contemporary examples, scenarios, and cases to help students effectively put theory into practice. This edition features updated author-written cases, including ten entirely new cases, and expanded coverage on emerging economies. MyManagementLab for International Business is a total learning package. MyManagementLab is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams-resulting in better performance in the course-and provides educators a dynamic set of tools for gauging individual and class progress.

"For nearly half a century, students, teachers, scholars, managers, and officials have praised our text for insightfully integrating authoritative theory with meaningful practice within the context of rigorous analysis of trends and circumstances in international business (IB). Commanding a sharper sense of the political, legal, technological, competitive, and cultural factors sharpens decision-making and improves performance. The standards of success that inspire our efforts, we believe, make this edition the best yet. Our collective efforts result in a textbook that provides instructors and students a powerful, productive, and meaningful understanding of the dimensions and dynamics that define the world of business"--

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. An effective balance between authoritative theory and meaningful practice. International Business is an authoritative and engaging voice on conducting business in international markets. This text not only describes the ideas of international business but it also uses contemporary examples, scenarios, and cases to help readers effectively put theory into practice. This edition features updated author-written cases, including ten entirely new cases, and expanded coverage on emerging economies.

For courses in international business. A study of international business through integrated theory and practice Balancing authoritative theory and meaningful practice, International Business: Environments and Operations engages students on the subject of conducting business in international markets. The authors' descriptions and ideas of international business are enhanced with contemporary examples, scenarios, and cases that help students effectively apply what they've learned. Now in its 17th Edition, International Business remains one of the best-selling and most authoritative international business texts available. As rigorous and practical as ever, this edition remains current through updated author-written cases and expanded coverage of relevant political, economic, social, and institutional changes.
