Multinational Financial Management, 10th Edition provides corporate managers with a conceptual framework within which the key financial decisions of the multinational firm can be analyzed. It contains charts and illustrations of corporate practice that are designed to highlight specific techniques. Numerous real-world examples and vignettes provide actual applications of financial concepts and theories. Seven longer illustrations of actual company practices appear at the end of key chapters to demonstrate different aspects of international financial management. Corporate managers will also benefit from the mini cases in each chapter that illustrate important concepts.

INTERNATIONAL FINANCIAL MANAGEMENT, Abridged Tenth Edition, builds on fundamental principles of corporate finance to provide the information and insights students need to succeed in today ' s dynamic global business environment. This thorough text includes a detailed introduction to the world of international finance, in which multinational corporations continue to expand and play an increasingly important role in global commerce. The text then focuses on a wide range of managerial topics from a corporate perspective, combining in-depth coverage of essential financial theory with a strong emphasis on hands-on, real-world applications. Known for its reader-friendly style and clear explanations, INTERNATIONAL FINANCIAL MANAGEMENT, Abridged Tenth Edition, gives students the tools to understand and manage within the exciting field of international finance.
