1903. Thomas Nelson Page, author of short stories, novels, essays, and poetry, is best known for his role as literary spokesman for the glories of the Old South. Gordon Keith begins: Gordon Keith was the son of a gentleman. And this fact, like the cat the honest miller left to his youngest son, was his only patrimony. As in that case also, it stood to the possessor in the place of a good many other things. It helped him over many rough places. He carried it with him as a devoted Romanist wears a sacred scapular next to the heart. See other titles by this author available from Kessinger Publishing.

"The rise and fall of kings and nations!"--Cover.

This wall hanging has a lovely naive folk-art quality. The scene, in fresh spring colors, is filled with birds flitting about and perched in the trees, with flowers and grasses embroidered beneath them. The techniques used include freezer paper applique, making appliqued stems for branches, easy machine stitching and quilting and some fun hand embroidery using thread and silk ribbon.

B.B.U.S.A. Leo, an ordinary Realtor in Boise, Idaho, is suddenly thrust into the role of decoy for his family and avenger of the murder of his business partner, Tim. keep him and his family alive. The novel is action packed, and follows Leo and Doug as they desperately try to stay one step ahead of the B.B.U.S.A. From the west coast of the United States to the west coast of southern Africa, Leo and his family experience extraordinary highs and lows. The characters come alive in this vivid portrayal of courage, endurance, friendship and love. From beautiful descriptions of the harsh Namib Desert, to refreshing scenery in the rugged central Idaho wilderness area, this novel will leave you breathless with a sense of adventure, a feeling for the characters, and a thrill of excitement. The B.B.U.S.A. cannot fail. Too much is at stake. They will stop at nothing. Who can Leo trust, and on which side is the handsome Romanian? Leo once considered Florin as a brother, but can he trust him with his life?

Astonishingly relevant portraits of the lives of seven women mystics Known to more than a million readers as the coauthor of the classic vegetarian cookbook *Laurel's Kitchen*, Carol Lee Flinders looks to the hunger of the spirit in *Enduring Grace*. In these striking and sustaining depictions of seven remarkable women, Flinders brings to life a chorus of wisdom from the past that speaks with remarkable relevance to our contemporary spiritual quests. From Clare of Assisi in the Middle East to Thérèse of Lisieux in the late nineteenth century, Flinders's compelling and refreshingly informal portraits reveal a common foundation of conviction, courage, and serenity in the lives of these great European Catholic mystics. Their distinctly female voices enrich their writings on the experience of the inner world, the nourishing role of friendship and community in our lives, and on finding our true work. At its heart, *Enduring Grace* is a living testament to how we can make peace with sorrow and disappointment and bring joy and transcendence into our lives.

Jay is tired of the girl he loves mocking him in front of her friends, so he decides to get a makeover and get back at her. His plan is to get her to fall in love with his new image and not tell her it's him. Only after meeting her does he find the real truth, she once was like him and uses him as her cover. Can this be a match made in heaven, find out.
