Legal Philosophy
standard, which the law had a duty to support, as society would disintegrate without a common morality and this morality should be protected by the law. In this debate Devlin stated “ individual liberty could only flourish in a stable society; disintegration of our society through lack of shared morality would, therefore, threaten individual freedom ” .

The main difference between law and

Where To Download Law And Morality Readings In

Legal Philosophy
morality is that law refers to the set of rules and regulations enforced by the state to regulate the human behaviour in society whereas morality refers to the ethical code of conduct for a human being. Hence, morality stands are the basis for the law while morality is ensured by living according to the law. Law and morality are extrinsically related, and ...
