~~Reference~~  
~~Manual~~  
~~for the pe exam ...~~

This is an excellent reference manual, not just for taking the PE, but also for work. The book contains just enough information to get you started on a topic and

Acces PDF

Lindeburg

perform most calculations/analysis. I

was amazed that it even contained

topics on

management that I have been covering in my MBA classes.

This was all I needed for taking the PE.

reference manual  
for the pe exam ...  
Lindeburg has  
done a great job at  
pulling together  
everything you'll  
see on the PE  
Mechanical exam.  
The format of the  
12th edition is

Acces PDF

Lindeburg

better than the  
11th. The 11th  
included extra  
problems at the  
end of each  
chapter. Though  
this is helpful for  
studying, it clutters  
up the book and  
adds extra pages  
to thumb through  
during the exam.
