Magento 2 Developer Documentation. Magento 2.4 Developer Documentation. Everything you need to build and manage a customized Magento store.

Magento 2 Developer Documentation

Historically, the Magento User Guide has been published in three different editions to match the different Magento " flavors ". User experience issues . In a web publishing environment, this duplication of content often has a negative impact around searching for the right content for the merchant 's needs. Across just the user guides for version 2.3, we had ~80% page duplication across the three editions, and ~95% page duplication across Commerce and Commerce with B2B.
