The media has always had a profound effect on how the public perceives and understands the criminal justice system. To a large extent, the media shapes the workings of the system. Aside from the massive interest that the general public has with crime and criminals, people want to know how those crimes are discovered and dealt with by the system (Marsh and Melville, 2009).

Role of the Media in the Criminal Justice System

Ray Surette has a doctorate in criminology from Florida State University and is a Professor of Criminal Justice at the University of Central Florida. His crime and media research interests revolve around the media's effects on perceptions of crime and justice, criminogenic media, and criminal justice policies. He has published numerous articles and books on media, crime, and criminal justice topics and is internationally recognized as a scholar in the area.

Media Crime And Criminal Justice

As social media have broadened access to and altered the nature of crime and justice information, crime and justice performances have become more fluid, multi-directional products whose owners are not readily apparent. Thus, information flows naturally in all directions through social media while in criminal justice it traditionally flowed in one downstream direction. Substantial impacts on criminal justice systems from the emergence of free-wielding social media linked crime and justice ...

There is no doubt social media has been beneficial for some criminal justice institutions. For the police, social media has given them unprecedented access to the public, and vice versa. Via...

Social media and crime: the good, the bad and the ugly

Media portrayals of the criminal justice system have transformed in the last century (1890s-1990s). The mass media defines the public image of police, prosecutors, courts, and corrections by acting as gatekeepers of crime coverage. Fictional storylines and the news media reinforce one another by covering crime as an immediate public threat.

Media's Influence on the Perception of Criminal Justice ...

As a result current criminal justice policy is another commodity governed by what is newsworthy and salable via the media--what fits the needs of the media and voters.⁸ Although most important in terms of actual social impact, the media-criminal justice policy connection is not seen by the public as the most significant media effect on crime and justice.
