Nine years ago, W. W. Norton changed the way world literature is taught by introducing The Norton Anthology of World Masterpieces, Expanded Edition.

The most-trusted anthology for complete works, balanced selections, and helpful editorial apparatus, The Norton Anthology of American Literature features a cover-to-cover revision. The Ninth Edition introduces new General Editor Robert Levine and three new-generation editors who have reenergized the volume across the centuries. Fresh scholarship, new authors—with an emphasis on contemporary writers—new topical clusters, and a new ebook make the Norton Anthology an even better teaching tool and an unmatched value for students.

Leading the field once again, Norton is proud to publish the anthology for the new century, The Norton Anthology of World Literature, Second Edition. Now published in six paperback volumes (packaged in two attractive slipcases), the new anthology boasts slimmer volumes, thicker paper, a bolder typeface, and dozens of newly included or newly translated works from around the world. The Norton Anthology of World Literature represents continuity as well as change. Like its predecessor, the anthology is a compact library of world literature, offering an astounding forty-three complete longer works, more than fifty prose works, over one hundred lyric poems, and twenty-three plays. More portable, more suitable for period courses, more pleasant to read, and more attuned to current teaching and research trends, The Norton Anthology of World Literature remains the most authoritative, comprehensive,

and teachable anthology for the world literature survey.

A classic, reimagined.

"The introductions in this anthology are meant to be just that: a basic overview of what students need to know before they begin reading, with topics that students can research further. An open access literature textbook cannot be a history book at the same time, but history is the great companion of literature: The more history students know, the easier it is for them to interpret literature. In an electronic age, with this text available to anyone with computer access around the world, it has never been more necessary to recognize and understand differences among nationalities and cultures. The literature in this anthology is foundational, in the

sense that these works influenced the authors who followed them. A word to the instructor: The texts have been chosen with the idea that they can be compared and contrasted, using common themes. Rather than numerous (and therefore often random) choices of texts from various periods, these selected works are meant to make both teaching and learning easier. While cultural expectations are not universal, many of the themes found in these works are."--Open Textbook Library.
