Thankfully, that is changing. Today, in a variety of post-conflict settings—the former Yugoslavia, Afghanistan, Colombia, Northern Ireland --international advocates for women's rights have focused bringing issues of sexual violence, discrimination and exclusion into peace-making processes. In On the Frontlines, Fionnuala Ní Aoláin, Dina Francesca Haynes, and Naomi Cahn consider such policies in a range of cases and assess the extent to which they have had success in improving women's lives.

On the Frontlines : Gender, War, and the Post-Conflict ...

Abstract. Our book, On the Frontlines, gives a comprehensive overview of the post-conflict terrain as it is experienced by women across multiple jurisdictions and in the wake of numerous conflicts. In creating and applying the concept of gender centrality the book addresses how gender can be made central to a range of post-conflict processes, and in so doing how the experiences of marginality and exclusion for women can be structurally and substantively addressed.
