An egg cooked “over easy” means that it gets fried on both sides, but it’s not cooked for very long on the second side, so the yolk doesn’t get cooked through and stays runny. To make one, you cook the raw egg just until the whites are set on the bottom,

Download Ebook Over

then you quickly flip it over to cook the other side.

The Difference Between Eggs Over Easy and Sunny-Side Up ...

Over easy eggs are fried eggs cooked on both sides for a very short amount of time, until the egg whites are just about set and the yolk is still runny. What's the
