era of automobile manufacturing and remains one of the most sought-after collector cars. The Packard Motor Car Company was in existence from 1899 to 1957, but the golden era of Packard cars came to a close in the late 1930s. The images featured in this book represent the early years at the Warren, Ohio and Detroit,

final days in 1958. Archival black-and-white photographs, stunning new color photos, and a thorough and well-researched text guide you through Packard's stylish lineup.

A major force in the American automobile scene through the 1950s, Packard made a mark on American advertising as well. The

# Read Free Packard Motor Car Company Ma Images Of

America cars themselves seemed built for promotion—the red hexagon in the hubcap, the yoke grille, and the half-arrow belt-line molding acted as a logo of sorts, setting a new standard in visual continuity and branding. The company ' s image became so firmly established, in fact, that Packard eventually ran advertisements which

# Read Free Packard Motor Car Company Ma Images Of

pictured the cars but purposely omitted the name, instead asking readers to “ guess what name it bears. ” This book traces Packard ’ s advertising history from 1900 through 1958, based on original research that includes several first-hand interviews with the people who made it happen. Filled with reproductions of Packard ads (some in

# Read Free Packard Motor Car Company Ma Images Of

color), the book looks beyond the surface to examine how the advertisements reflect and interpret the company ' s management and business convictions, how they were influenced by business conditions and competitive pressure, and how they changed with the times.
