Here, in these pages, you'll meet women of all ages and from all walks of life, with one thing in common. They're all open to erotic exploration with its infinite possibilities, whether it's having sex on the job, flaunting their charms in public, delighting in dreams and fantasy, yielding to the allure of the fetish, or finding passion with another female. It's girl talk at its most revealing, fabulously uninhibited and totally uncensored! LACE, LEATHER, AND LUST Do good girls do it? Do they ever! And month after month, women who love making love tell how they take every pleasure and shatter every taboo in their very own letters to Penthouse-America's premier forum for thrill-seekers of all sexes. From the first time to the wildest time, from bedroom bouts to public performances, from torrid threesomes to lesbian liaison, from wedding nights to sinful tryst-men (and sometimes women!) everywhere meet their match in wives, bachelorettes, and the girls next door who shamelessly ride the first tremor of desire to an explosion that rocks their world.

Some of the most daring women share their most private and intimate sexual experiences in the latest steamy installment of the ever popular Letters to Penthouse series. In "Naughty by nature", each and every letter is written by a woman who recounts her outrageous sexual encounters in graphically erotic detail.

The editors of Penthouse are back, and this time they are taking readers between the sheets. Here are 30 x-rated tales that are sure to reinvent the bedtime story, because after reading these, sleep will be the last thing on anyone's mind.

This is a 10-Book Series, starting with the 1st Floor and ending with the 10th Floor. There was no way to put it out as one piece, as it's close to 1000 pages in total. However, in my opinion, putting it out this way is better, as it gives you the customer the full option of buying only the drink themes you're interested in, per floor. There are close to 5,000 recipes in total, in 195 different themed categories of drink throughout the 10 floors. Therefore, creating a 10-book series makes it more interesting, and avoids being overwhelming. Simply put, the book is a hotel, with floors instead of chapters, drink rooms instead of categories, and scene numbers to go along with each cocktail. Front Desk = Introduction, Concierge = Info Notes, Drink Rooms = Contents, The best thing to do is click-on the Look Inside feature of the book and take a peek at the drink rooms of themed cocktail categories to see if they fit your fancy. Cocktail Hotel is the largest drink book in bar history. Please read through the Front Desk page, again by using the Look Inside feature, to get more background on the creation of the book and its content. There are no culinary cocktail pictures except on the front covers. The book price would have been three times higher to have pictures anywhere in the interior, regardless of how many or few used within. Once you start you can never have enough or please everyone's tastes. I kept it simple and inexpensive. Not an excuse, just a reality with independent productions, that's all. Would have loved to, though. The picture on the front cover that I was able to provide at no extra cost is from my own cocktail photography series.**BONUS - Liqueur WorldComplete Hotel Drink Index: 1st Floor - 10th Floor**

28 Flavors, No Vanilla To find the limits of lovemaking, how far would you go-to Paris or the Caribbean, to miles above the earth, to your very own bedroom? Who would you invite-a threesome, a foursome, a whole houseful of eager erotic revelers? What props would you deploy-a wisp of knotted silk or a pair of high spiked heels, a stream of scented oil or a sheath of shiny black leather? From the pages of Penthouse Variations-for over two decades America's boldest explorer of the most adventurous frontiers of the sexual revolution-come twenty-eight sometimes shocking, always exciting stories by people who dare to be different. Is it any wonder that the world's number-one writers of erotic fiction have found a home in the world's number-one magazine of erotic entertainment? Now, from the pages of Penthouse, come thirty torrid tales that give new meaning to the words bedtime stories. From the lingerie dressing room that's all about stripping down to the babysitter who picks up a little extra something from the lady of the house, from the woman who holds an entire room in thrall with a single stick of peppermint candy to the indecent encounter between strangers on a London double-decker bus, these are stories that will ignite your imagination and put the sizzle back...

New York Times bestselling author Laura Lippman has been hailed as one of the best crime fiction writers in America today, winning virtually every major award in the genre. The author of the enormously popular series featuring Baltimore P.I. Tess Monaghan as well as three critically lauded stand-alone novels, Lippman now turns her attention to short stories—and reveals another level of mastery. Lippman sets many of the stories in this sterling anthology, *Hardly Knew Her*, in familiar territory: her beloved Baltimore, from downtown to its affluent suburbs, where successful businessmen go to shocking lengths to protect what they have or ruthlessly expand their holdings, while dissatisfied wives find murderous ways to escape their lives. But Lippman is also unafraid to travel—to New Orleans, to an unnamed southwestern city, and even to Dublin, the backdrop for the lethal clash of two not-so-innocents abroad. Tess Monaghan is here, in two stories and a profile, aligning herself with various underdogs. And in her extraordinary, never-before-published novella, *Scratch a Woman*, Lippman takes us deep into the private world of a high-priced call girl/madam and devoted soccer mom, exploring the mystery of what may, in fact, be written in the blood. Each of these ingenious tales is a gem—sometimes poignant, sometimes humorous, always filled with delightfully unanticipated twists and reversals. For people who have yet to read Lippman, get ready to experience the spellbinding power of "one of today's most pleasing storytellers, hailed for her keen

psychological insights and her compelling characterizations," (San Diego Union-Tribune), who has "invigorated the crime fiction arena with smart, innovative, and exciting work" (George Pelecanos). As for longtime devotees of her multiple award-winning novels, you'll discover that you hardly know her.

Imagine a world with no limits, one in which your wildest fantasies can, and do, come true. That's exactly what the readers of Penthouse have done in this collection of pulse-quickening letters.
