Presents background material on how the United States Constitution came to be written, how it can be amended to reflect changes in American society, and how it is interpreted by the Supreme Court. Includes an annotated text of the document.

A History of the United States' well-told story and expanded program are designed to address your changing curriculum and classroom needs. Author Daniel Boorstin "Librarian of Congress Emeritus, and winner of the Bancroft, Parkman, and Pulitzer prizes" tells the story of American history in an engaging style that reaches today's students.

Civics: Government and Economics in Action provides an engaging, current, and relevant look at the foundations of American government, citizenship, and the American economic and legal systems. The program combines an accessible narrative and engaging visual design with a wide variety of instructional tools -- from workbooks to interactive technology -- to motivate students to participate, make decisions, and take action both in and out of the classroom.
