level) and American Government: Experience It! (a hands-on digital program) can accompany Magruder's American Government or can be a stand alone curriculum.

This is a book about government, and, more particularly, about government in the United States ... Every edition of this book has had one basic purpose: to describe, analyze, and explain the American system of government.-Pref.

Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project.

For courses in American government A result of time-tested scholarship, Government by the People gives a hopeful but realistic perspective on American government and emphasizes the role people play in our constitutional democracy. Prentice Hall is extremely proud to publish the book that remains the most reliable, responsive, and respected text for use in colleges and universities in every state of the nation. For over 50 years, this is the book that has always remained one step ahead of all the others by anticipating your needs as an educator and your students' needs as learners. Now in its twenty-second edition, Government by the People continues this tradition. We are entering a very complex political era and there is no better text poised to take students from being simple onlookers to knowledgeable participants in the American political experience. The level of scholarship of the Government by the People author team, as well as the way in which they treat each new edition as a fresh challenge, is clearly represented in this new edition.
