Professionalism in Early Child Care & Education | Synonym

In many countries of the world, the expansion and further development of the early childhood care and education system is linked to a terminology of "profession". Curricula,

Bookmark File PDF

or national pedagogical frameworks, have been introduced as a means to foster professional practice.

child care should be pretty high standards because you are dealing with children which can be a difficult task area. I like that you mention having a calendar or plan for everything because that will help the children to follow something and know when it is time to goof off and when it is time to do something else.
