Religious democracy is a form of government where the values of a particular religion affect laws and rules. The term applies to all countries in which religion is incorporated into the form of government. Democracies are characterized as secular or religious. The definition of democracy is disputed and

Get Free Religious

interpreted differently amongst politicians and scholars. It could be argued if only liberal democracy is true democracy, if religion can be incorporated into democracy, or if religion is a neces

Democracy in India:
Chhibber ...

This book demonstrates
the close relationship
between religion and
democracy in India.

Religious practice is
associated with political
representation because
the sites and occasions
of religious practice
constitute one of the few
public spheres in which
the hierarchies that
