The Mégane II and the Laguna were both showcases for a great deal of innovative technologies Renault launched at the beginning of the 2000s; the Renault Card keyless ignition system, standard on the Mégane II, was a first in this class and has since been widely adopted.

Repair Guide Manual

The Renault Scénic is a compact multi-purpose vehicle (MPV) produced by French automaker Renault, the first to be labelled as such in Europe. It is based on the chassis of the Mégane small family car. It became the 1997 European Car of the Year on its launch in November 1996.. The second, third and fourth generations have a model called Grand Scénic, which has seven seats rather than five.
